"77" FOR GRIP

Due to the changeable weather, Grip and Influenza prevail unusually early this year, and it behooves you to prepare yourself against an attack by carrying a bottle of Dr. Humphrey's "Seventy-Seven" in your pocket. The prompt use of "77" will restore the checked circulation (indicated by a chill or shiver, the first symptom of a cold), start the blood coursing through the veins and "break up" the cold.

"Seventy-seven" cures Coughs, Colds, Grip, Influenza, Catarrh, Pain and Soreness in the head and chest, Hoarseness and Sore Throat. At Druggists, 25 cents. Medical Guide mailed free. Humphrey's Med. Co., Cor. William & John Streets.

Christmas Candy

Old-fashioned Santa Claus Taffy—like your mother used to make. Same kind you used to pull yourself—only better—and without the pulling.

Any quantity, from a pound to a barrel, at less than it costs to make it yourself. Nothing will please the children better. We have one hundred different styles in Fancy Christmas Boxes. Now is your time to select, while the stock is complete.
